

## Why Creativity Matters to God: Study Guide

**Big Idea:** Creativity is not optional or extra. It is part of being made in God's image and how we partner with Him in the world.

### Key Scriptures:

Genesis 1:27 – We are made in the image of God.

Exodus 31:1–6 – God fills people with His Spirit, wisdom, and skill to create.

Exodus 35:35 – God values design, craftsmanship, and creative work.

Acts 17:28 – In Him we live, move, and have our being.

### Reflect:

What does being made in God's image tell you about creativity?

Where have distractions, pace, or technology crowded out creativity in your life?

Do you believe you are creative? Why or why not?

### Apply:

What is one creative practice you once enjoyed or feel drawn toward now?

What small boundary could help you make space for creativity this week?

How could your creativity serve others or leave a legacy?

### Prayer

God, help me honor how You created me. Show me how to partner with You through creativity, imagination, and purpose. Amen.
